OVERVIEW

The VISORFUELCARDHOLDER is a clear vinyl visor fuel card holder for fleet vehicles, service trucks, delivery vans, rental cars, municipal vehicles, construction equipment, and company cars. It keeps the fuel card assigned to the vehicle instead of buried in a wallet, glove box, cup holder, or driver bag, so the card is visible and within reach when the driver pulls up to the pump. The clear pocket holds up to three standard credit card sized cards, including fleet fuel cards, gas cards, driver ID cards, insurance cards, registration cards, and small vehicle documents.

KEY FEATURES

- **Vehicle-assigned storage:** Keeps fleet fuel cards with the assigned vehicle and within reach at the pump.
- **Clear vinyl pocket:** Holds up to three standard credit card sized fuel cards, driver IDs, insurance cards, or registration cards.
- **Elastic visor strap:** Wraps around car, truck, van, and fleet vehicle sun visors without adhesive or permanent mounting.
- **Fleet card use:** Works with WEX, Fleet One, Fuelman, Voyager, Shell, BP, Chevron, ExxonMobil, Comdata, and other CR80 fuel cards.
